AUDITORS' REPORT.

Seabrook, N. H., Feb. 26th, 1909.

We, the subscribers, have this day examined the Town Treasurer's accounts and find them all vouched and correctly cast, with a balance of one hundred forty-three dollars and ninety-seven cents in the Treasury.

ROBERT H. OLIVER,

CALEB N. FOWLER

Auditors,

Board of Education.

The schools have been in session thirty-four weeks. There have been several changes in the teachers on account of sickness and the offer of better positions.

By the advice of Mr. Morrison, the State Superintendent, the State course of study has been adopted and the schools have been partially graded.

We have held a number of teachers' meetings and the teachers, without exception, have worked in harmony for the improvement of the schools.
